A MERRY CHRISTMAS TO ALL OUR READERS

First the apologies. The last edition of Quickmatch contained a very clever crossword compiled by one of our members but unfortunately some clues got missed out. A few very clever people however, still managed to send in complete entries and even supplied their own clues. The winner was Tony Kosecki who has received 2 bottles of Argentinian Red wine. If his clues had been better he would have won the full prize consisting of 1 bottle of Argentinian Red wine. Better luck next time Tony|

As you can see from the Calendar opposite this is once again our busiest time of the year as far as the Committee is concerned and we hope that you, the members, will support the events organised.

It only remains for me to wish you all a very happy time at Christmas and to hope for a more settled New Year.

Norman Paul EDITOR

CHAIRMAN'S CHRISTMAS CHAT

In the Club, as elsewhere, life has it's ups and downs. We were cruising along nicely this summer when we unfortunately became the target for, presumably, the local gang of thieves who regularly burgle clubs. I suppose we felt it would never happen to us in our particular environment but clearly these people will go to considerable lengths to achieve their objective and out of three attempts they have been successful twice. On the last occasion considerable damage was done but thanks to Steve Hutchings, Barry Barrett and Terry Stemman this has been rectified and we have taken further steps to thwart any future invasions. I must also thank the Treasurer and Cashier for coping with the extra work and inconvenience. Fortunately, you will be relieved to read, the nuisance value of such happenings is greater than any financial loss as we can reclaim most of the latter from the insurance. Nevertheless we must all try to be more security minded and not make things easy for thieves. It would be most helpful, for example, if people who open windows etc. for ventilation would also close them afterwards rather than assume that somebody else will do it. All breaches of external security are reported and quite frankly our record to date is less than satisfactory.

Time marches on and yet another Xmas approaches. This is a particularly busy period for the Club and especially the Bar. It's a time when we all want to enjoy ourselves and we have to press gang bar staff for nights such as Xmas and New Year's Eve. Last year the Club was overcrowded on those evenings and there was a high proportion of non-regulars and guests. We wish to discourage this and a special guest fee will be imposed for those evenings this year.

A start has been made to redecorate the main hall with the initial emphasis on completing the smaller section at the function bar end. We hope to complete this before the Xmas festivities. Hopefully this facelift will make the hall more pleasant and attract more people to the larger functions we organise.

Bob McGuchan CHAIRMAN

CLUB MATTERS

The use of Club premises has recently been discussed by the Committee and the following points should be noted.

1. All bookings by subsections must be made through the Secretary.
2. Private bookings of the Hall are the responsibility of the Establishment but it will assist us if you can inform the Club Secretary of any such bookings.
3. If doors or windows are opened please close them when you leave.
4. If any furniture or equipment is used please put it back where you found it when you have finished.

GOLDEN RULE : LEAVE THINGS AS YOU FIND THEM.

HOUSE MANAGEMENT SUB-COMMITTEE

As reported by the chairman we have undertaken the mammoth task of redecorating the main hall and we hope to have the Function Bar end complete before Christmas. The work has so far been carried out by Committee members and a few extra members we have managed to persuade or threaten.

In the New Year we shall be starting the even bigger task of decorating the larger part of the Hall. Working parties will assemble in the Hall on Tuesday and Wednesday evenings from about mid-January until the job is finished. Any member who would like to be considered for a place in the "Team" should contact me. Of course we cannot promise that a job will be found for you every night but we will try and fit as many in as possible. Contact me as soon as possible if you can wield a brush or roller and would like to give the Club premises a new face. If you are not an expert, instruction can be given and this seems an ideal opportunity for intending house purchasers to practice their skills. Any help will be very much appreciated.

FROM ALLAN BALL

S O C I A L

Since the last Quickmatch we have held a Ladies Fashion Show (which was an unqualified success) and the Halloween Dance (which wasn't).

The Fashion Show was a new venture for us all and it proved so popular that we intend to make it a regular feature of our calendar (see below). The show organisers, not realising how many people would attend, brought only one model but we managed to "hijack" Debbie Cribb from her bar duties and she proved a very good "stand-in" model for the evening. Thanks for helping out Debbie. (Good job Debbie was on the bar and not Andy Carter).

By contrast, the Halloween Dance did not turn out as well as expected. However, we've looked at the problems and learnt from our mistakes.

As usual we have a full programme of events for Christmas and the New Year - SEE INSIDE FRONT PAGE.

Please note that the guest fee for entrance to the Club on Xmas and New Year's Eve will be £1. Also we have booked an entertainer, Del Peterson, for New Year's Eve.

FACTORY PARTY

The Factory Party, for employees and their spouses ONLY, will take place on Wednesday 22nd December starting at 7.30pm. A Disco, called appropriately "Sounds Atrocious", has been booked and the ticket price, which includes a buffet, has been held at £1-50 per head. Tickets are available from the following Committee Members:

SNOOKER AND BILLIARDS COMPETITION

This annual event is open to ALL members (not guests) and will start in the New Year.

Entry forms are now available but remember, the closing date is December 7th. Entry forms and queries to Barry Barrett.

THE 1982 PERME DARTS KNOCKOUT AND PRESENTATION

The final stages of the PERME Knockout were played in the Club bar on Friday 12th November. Once again the standard of darts thrown in the competition has risen; most of all in the Ladies Section. Val Holloway retained the Singles title and partnered Elsa McFarlane in the Ladies Pairs in which Val hit 140.

PERME "B" Darts Team, who compete in the Waltham Abbey Darts League, supplied it's second consecutive Men's Singles Champion in the shape of Terry Hubbard. Terry more than deserved his win having beaten some of the PERME Club's more capable players to reach the final. Tom George, his opponent started well in the first game and went 1-0 in the lead but his finishing in the next two legs was lacking. Terry's wasn't and he fought to his first K.O. title.

Hertfordshire County Super League Player and Hertfordshire's No.1, Tommy Harris presented the trophies and afterwards supplied an eyeopening exhibition of darts, playing all comers to one leg of 1001. He left the board undefeated and some egos in tatters (Including mine) but the display was most enjoyable and hopefully may lead to future visits by professional darts players.

The evening on the whole seemed to go well and everybody had a good time but it would have been impossible without the help of Barbara Coe, Carol Fowler, Sharron Worsley and Val Holloway for dealing with the food and also to Brian Rider for eating most of it. I would also like to thank Charlie Wheatley for chalking some of the matches.

The full results were:

| COMPETITION | WINNERS | RUNNERS-UP |
|----------------|--------------------------------|---------------------------------|
| Men's Singles | Terry Hubbard | Tom George |
| Ladies Singles | Val Holloway | Carol Fowler |
| Mens Pairs | Tom George Mick Leonard | Tony Colgate Roye Green |
| Ladies Pairs | Val Holloway Elsa McFarlane | Doreen Yeowell Joan Jennings |

FOOTBALL

FIRST TEAM REPORT

After our disappointing form at the end of last season the team has ben strengthened by several new players. These players soon settled in and we are now playing better than we have for many seasons.

We are currently in third position in the Brooke Waltham and District League after winning our last six games. In the second round of the Essex Junior Cup we played Canning Town Res. We quickly went one up, only to throw away the lead by letting in 3 silly goals. In the second half, kicking uphill and against the wind, we fought back and in the last 20 minutes scored 3 times to win 4 - 3. Our record in the 10 games played this season (league, cup and friendly) is:-

| P | W | D | L | F | A |
|----|---|---|---|----|----|
| 10 | 8 | 1 | 1 | 31 | 18 |

Nigel Smith

.....
SECOND TEAM REPORT

In the first 3 games this season 20 goals were scored; unfortunately we didn't score any of them. However, since then results have improved, mainly because we have now found a goalkeeper. With him and a reorganised defence we are gradually climbing up the league and the main problem now seems to be the lack of goals at the other end of the pitch.

We are now through to the 3rd round of the Essex Junior Trophy after beating Old Fairlopians 4 - 1. This is the furthest we have been in this competition.

We are still in need of more support at all our games to keep our lone female supporter company. If anybody would like to know more about managing a football team, as we are still in great need of one, would they please contact me for further details.

Andy Carter (extn 356)

.....
AND NOW A SPECIAL BIRTHDAY MESSAGE FROM OUR SPONSOR

I have been privileged to add a few words to the football report on this occasion since this is our TENTH SEASON, or as Ike put it, our resurrection.

Peter Eickhoff (Ike that is) restarted the club in the 72/73 season and although most of those stalwarts have moved on the section goes from strength to strength with the gratefully received grants from the Central Committee and the willing band of workers within the football section at the moment.

Us older men like to dream of the old days, and I'm sure you'll forgive me if I ask through the magazine to be remembered to those founder members - those such as Alan and Pat Jones, Peter Maher, Stan Berry, Ricardo Penfold, Garth Pryde, the Woolgar brothers, Ian Lynch, my own son and Ike himself. The team obviously changes as the years go by, but fortunately the wonderful spirit that reigned in those days still continues. Today we have 2 teams, playing in different leagues, but working together in every other respect. We have an active social committee striving to raise money and keep the team afloat; no mean feat in these days of high costs.

contd over:

FOOTBALL CONTD.

I've stressed over the years my pleasure at being involved with the PERME Football Section. They are always a credit to the Club and myself, both on and off the field. This behaviour I have been proud of during the whole of the last 10 years. So to Ike and all our players past and present, I say "Thanks fellows" - see you in the bar any Tuesday evening between 10 and 10.30pm, after training.

Bill Telling

.....

JUNIOR FOOTBALL

We have made a fine start to the season this year; our current league position is 4th. We are in the semi-finals of the league challenge cup and into the 3rd round of the Essex County Cup competition for under 15's. Our best win to date was a 3 - 0 victory over local rivals, Waltham Abbey, in the first round of the League Cup.

Our first round win in the Essex Cup against a team from Upminster resulted in a 13 - 0 win for us against obviously poor opposition. The next round opposition was stronger than the scoring would suggest; we won 8 - 1. Our performance that day would have given any side a hard time so hopefully we can keep it up through the next rounds of the Cup.

The five new signings at the start of the season have played really well and must take some of the credit for our good start this year.

WISHING YOU ALL A MERRY XMAS

Bill Warren

SQUASH CLUB

There has not been much activity on the squash scene since the last Quickmatch although Margaret no longer complains of having no one to talk to in the showers. This is because she no longer plays squash as she is busy learning Spanish at Loughton, or should I say El Oughton.

On the subject of our vanishing chairman, there were rumours that he actually came to play one week but it appears that it was only Malcolm in disguise.

In the past it has always been the policy of Quickmatch contributors from the squash club to concentrate on the "club" aspect rather than the actual "squash playing" side. We had seen how other clubs would concentrate on telling everyone how many games they had played, won and lost, but decided this policy was not for us. It could be partly due to the fact that we don't play competitive games. Other sections may think that it's because we play 6 games, win 2 and then can't work out how many we'd lost. To prove such people wrong, and to show just how skilful we are with a racquet we have decided to challenge our sister clubs, i.e. Tennis and Badminton, in a tri-club, tri-sport match. If the other clubs wish to accept our challenge we would like to hold the event in the spring with results being published in the following Quickmatch. People would then be able to see our deftness with both numbers and racquets (sounds like Chicago. Ed.). If anyone is interested in this idea please contact the secretary of the team they wish to play for; Val Evans ext.328 (Tennis), Jim Ryder Lea valley 763333 ext 418 (Badminton) or myself ext 545.

One final word. If, as the leader of the SDP might say, anyone who is interested in joining, you know who to ring.

Ron Craik

P.S. Merry Christmas

TENNIS

There is little to report since my last tennis statement. The season has effectively drawn to a close with members playing, weather permitting (i.e. when it's not raining) on Sunday mornings.

New members/guests are still needed so please come along when you can.

Valerie Evans Hon.Sec.

BRIDGE

The PERME Bridge Team is once again campaigning in the Harlow League 1st Division and opened the season with a resounding 20 - 0 win.

Further results will only be reported if this level is continued.

People are reminded that there is a Bridge Section,
Contact Mike Healey.

=====

CHESS

All four teams have begun the new season successfully, though it was disappointing to be eliminated in the early stages of both the National Club Championship and the Lawrance Cup. The loss of Tony Eccles has been compensated by the acquisition of John Denton, whilst performances of relative newcomers Neil Hutchings and Ted Connors have been very encouraging.

The Club's Summer Tournament again proved successful and was won by Martin Cohen.

The Annual Swiss Tournament for the individual Club Championship has just begun and it promises to be a very close affair.

Anybody interested in Chess, whether experienced or not, is asked to contact either John Cook (ext 238) or myself (ext 425) or leave their name at the Club bar,

BAR TALK

The regulars will have noticed that many of the beer and spirit prices have increased recently. This was due to increases notified to us by our Brewers and by readjustment of our prices to give a fairer distribution of profit margins. I would point out that, in contrast to most major brewers, Rayments/Greene King increase their prices only once each year and this year's increases have been fairly modest. Indeed, some items, including Mild, have not increased at all. Prices should now remain stable until the next Budget in the Spring and, hopefully, with the fall in inflation rate, increases may be less than in the past year or two. There have been few changes of Bar Staff in the last couple of years and it would be nice to see some new blood coming in. In particular we need persons willing to work weekend evenings on, say, a one in two or one in three basis. Anyone who is interested, please contact myself or any Committee Member.

CHRISTMAS PRICE LIST AND ORDER FORM 1982

Below you will find a selected price list of drinks which are available and can be ordered through the Bar for Christmas. This is by no means a complete list but does include our most popular beers and a selection from our malt whisky and wine lists.

As has been pointed out before, the Club cannot compete with supermarkets such as Sainsbury's, as far as standard bottles of spirits and wines are concerned but for cask and bottled beers and our superb range of single malt whiskies the Club is virtually unbeatable. We also have a range of almost 50 table wines, including some rather "different" ones.

Listed below are the prices of our most popular beers and a selection from our malt whisky and wine lists.
