MERRY CHRISTMAS TO ALL

EDITORS PAGE

It is especially at this time of year that we should think of those who are less fortunate than ourselves and in the coming year perhaps we may resolve to personally do something for those in need.

As far as the Club is concerned, if we look back over the last year you will realise that, in a small way, we do our little bit and quite a few of our events have raised money for various charities. I am thinking especially of the Midsummer Fete where quite large sums were raised for various charities and, again at the Fireworks Evening, we did collect money for charity as well as the barbeque profit which was donated to Famine Relief in Africa. For a club of our size perhaps we could do more in the year ahead?

Also, looking back over the past year at the various events that have been organised two things are very apparent. The first is that the Club; which is a members club, supposedly run by members for members, seems to have evolved into a club where members pay their subscriptions and expect a small band of other members to do all the work. It is exceedingly hard to get any help from the general membership and I know some of the Committee feel that they are being taken for granted.

The second thing is the falling support for functions that are organised. Perhaps we run the wrong events but nobody ever tells us what events they would support. A little feedback would be helpful when we come to plan next year's functions!

So, let me take this opportunity to wish all members a very Happy Christmas and a Peaceful New Year and let's all resolve to participate more in our Club and look forward to a year with more commitment from our members.

Norman Paul
Editor

CHAIRMAN'S CHAT

As Chairman I take this opportunity to to wish the Committee and all our Club members a Merry Xmas and a Happy New Year. Thanks to the Committee for their efforts during the year and particular thanks to those involved in organising the very successful Xmas attractions; such as the Xmas Draw, Xmas Bingo and New Year's Eve Dance. Thanks also to the members who have made it yet another prosperous year for the Club and I have no reason to doubt that 1985 shall be any less successful.

The traumatic changes within the Establishment have had no impact as yet on the Club and I would hope that this will remain the situation. The ROF's are quite happy to believe that it is an ROF club, MOD are quite happy to know it is an MOD club and we are quite happy to consider it as our club, irrespective of who owns the building. We have sorted out the changes in subscription income from ROF employees and I am pleased to hear that most of you have "rejoined". I shall make no comment on the "meanies" who have opted out. The CSSC have, as usual, raised the cost of shareholding in line with inflation. ROF employees will pay exactly the same but direct to the Club. Associate membership fees will be raised to £7-50 in line with the increase to Full members.

Bob McGuchan

BARTALK

It's time to put on my Scrooge hat again and report the now customary annual round of increases from the Brewery, putting 3-5p on to the price of a pint, depending on gravity. (*An extremely grave situation indeed. Ed.*) I guess people are becoming immune to such increases as I did not hear very many moans and groans this year.

I was interested to read a recent newspaper survey concerning the variation in beer prices around the country. I noticed this myself the other week while staying in the Preston area. A lovely pint of Burtonwood or Tetleys up there cost me 60-64p, some 20p cheaper than the equivalent pint in London or Waltham Abbey. The difference in selling price becomes even more striking if the excise duty (20p) is deducted from each figure. One can accept argument for a small surcharge in places like Central London but surely not for outlying areas and country villages which are not all that different from other parts of the country. In my view it is a rip-off by the brewers which has gradually evolved and will be very difficult to correct; but all power to any campaign seeking a fairer national pricing policy.

From the various Guest Beers we have tried over the last six months I have selected Marston's Pedigree as one of the best available to us and we are now giving it an extended run to see if it will build up a regular trade.

Now I shall start bracing myself for yet another Xmas onslaught. Xmas Eve and New Year's Eve will be exceptionally busy nights for the Bar and I am grateful to the staff willing to work on these evenings.

FOOD FOR THOUGHT

=====

Thanks to the great efforts of the canopy erectors, charcoal makers, cooks and, of course, customers, the Guy Fawkes Night barbeque was a great success. We collected £64 for Famine Relief in Africa - enough to provide half a tonne of wheat at current world prices to keep 35 starving people alive for a month. That's not bad when you consider that we only kept about 300 people going for one evening, though, ironically, it probably took as much grain to produce the 70 lbs of meat we devoured.

If that hasn't put you on a lettuce-only diet then please remember that "Bar Food" is available at the club on Friday Nights and Bingo Sundays with some special treats planned for Christmas. Meanwhile, if you are having a wedding, banquet, birthday party or similar event and you would like a brochure of menus and prices then please give me a call. It will probably cost you less than if you do it yourself!

Dick Morrell (Extn 212).

DISCO-DISCO-DISCO-DISCO-DISCO

Thanks to Barry Barrett the Club now has an overhauled Disco Unit, some new equipment and a selection of records of the late 50's to the 60's plus some more modern disco music.

Barry has already run 2 Disco evenings including the music at the Fireworks Evening. Both these have been judged successful and we look forward to more of these evenings in the New Year, if the popularity continues.

There will be another opportunity for you Disco fans on Christmas Eve when a Disco will be run in the Function Bar (or Main Hall if sufficient numbers). There will be the usual Xmas Eve bar extension until midnight and supper will be provided. The tickets for this event will be £2 and are available from Barry Barrett.

SECTION NEWS

SNOOKER

As you probably know we are coming up to the finals in the Club's Tournament. The Finals are the best of 3 frames in the Singles and Pairs Snooker and "100 Up" in the Billiards. These Finals always produce some very good matches so come along and watch, you'll be more than welcome. This Tournament is a straight match but in the New Year I hope to run a Handicap tournament in which, if the handicapping is right, should produce some exciting games and a few upsets! Watch out for entry forms.

The Junior Snooker Section is still held every Monday from 7.30 to 8.30pm so if any youngsters would like to attend we would be pleased to see them.

Barry Barrett

BADMINTON

A subtle transformation is taking place in the badminton club since it has changed from an all-male (almost) boozing and hard playing club into something approximating to a marriage bureau! (*Hope for you yet Brian! Ed.*) Since Steve and Kathy Gartrell got wed in the summer Simon Winfield and Wendy Wise have become engaged and Ron (awffy-careful-with-the-bawbees) Craik has also got engaged.

There has been a good start to the season with (even) Jim Rider playing before heading towards the "Bloomers" for a nourishing pint. We've been delighted to welcome Tim Douglas who has been playing regularly and obviously enjoying his evening out.

Strong rumours abound that the treasurer may soon put in an appearance but he'll have to dust off his favourite thumbscrew to extract the annual subs out of you-know-who! Adrian Phillips played during the summer and has now moderated his beer intake down to the Frank Baker/Roy Carter level.

Bryan Howard

Editor's Note: It's nice to hear from a sub-section. The only trouble with the above report is that most of the names mentioned don't appear to be members of the Club !!!!

SEA FISHING

Our October outing to Lowestoft was very successful. Not only did everyone catch fish, it was also our first competition match for the JOHN WOOD SHIELD which was kindly donated by John.

David Barley found the cod and whiting feeding well and won the match with 14lbs of sizeable fish. Well done David!

If anyone is interested in an outing to the seaside our meetings are held in the Club room on the first Tuesday of the month, or phone John Stuart (extn 347) or Terry Stemman (369).

FOOTBALL

In the September issue of quickmatch I remarked in the Football report that, hopefully, we would get off to a good start to the 84-85 season. Well we have to date not lost a single match in the league and two cup competitions. We are 2nd in the league with one game in hand on the leaders. We are into the 3rd round of the League Cup and the Essex County Cup.

The younger players in the side have surprised a lot of the older players from the opposition in their determination not to be intimidated by the hard men in the senior game. One of our older members of the team, Andy carter, has shown this season, that he has some skill as well as committment. This, I am sure, is no doubt due to the dancing classes he has been attending on Wednesday Nights at the Club. If I could hire a band to play on the touchline I could alter the set pieces in the game to revolve around the tango and quickstep. I must give a mention to Steve Curtis, my goalkeeper, whose physical presence and ability has been one of the main reasons why the team as a whole has been playing with so much confidence. He is one of the most talented players I have seen and for me the best signing of the season.

Our 2nd Round Essex County Cup match was the best team performance any manager could ask for, against a young skilful side we played fabulously for the first half and were 5-0 up at the break. Kevin Sims and Sean Fitzgerald were fantastic playing down the wings and on the day were unstoppable. We finished the game by winning 6-0. the sixth goal resulting from my goalie kicking the ball into the opposition's penalty area where the centre back made a mess of passing it back with the result that he put it into his own net. It's nice to have a goal scoring goalkeeper as well as a goal stopper! If we can maintain this form we could be among the trophies at the end of the season.

On the social side of the section our "Disco-Night" in October was a great success and hopefully this will be repeated in the New Year,

Wishing you all a Merry Christmas,

Bill Warren

CHESS CLUB

We have just started a new season so at the moment there is very little to report.

As usual we could do with a few more new players, in fact our diminishing membership has forced us to drop out of the North Circular League "B" Division.

LADIES DARTS DIARY

AUGUST 14th. I was not at this game against the "Golden Lion" (on my hols) but Win did the scoring and made notes. Thanks to Win and also to Brenda for seeing to the sandwiches and Michele for running the raffle. On the darts side we lost 5-1. this was a home game and our visitors enjoyed themselves very much at the Club. I suppose they would winning 5-1!

AUGUST 21st. Another home game against Hemenal of Epping. I was still away so thanks to the ladies for doing the chalking, raffle sandwiches etc. We won 5-3 !! Thanks to May Colgate for stepping in at the last minute. She was having a quiet social night down the Club and got roped in.

AUGUST 28th. Away tonight to the "Woodbine" Upshire. I Played this time but my scoring was terrible. The only good thing I did was to get out on double 2. I was partnered by Jacqui whose scoring was a lot better. Win and Iris won their double and Pat and Mim theirs.

SEPTEMBER 4th. It was an away again tonight, to our "bogey" team the "Golden Lion". Our first ever game against them resulted in a draw but we've lost every match since then. Tonight was no exception and we lost 3-6. I think the trouble was one of the ladies from the opposition who never threw less than 90. A bit off-putting. I played against her tonight. I think I'll let one of our other ladies play against her next time.

SEPTEMBER 11th. Tonight we should have played the "Crocodile" at Cheshunt. They phoned last week to say that they no longer had a team so after a few phone calls we arranged a game at home to the "Woodbine" and we won 4 games to 3. Next week we're away to Lindsey Street at Epping. They're not a bad team; I hope we're better though.

OCTOBER 2nd. We played Lindsey street and lost although we managed to win 3 games. It was Iris's birthday so that's our excuse this week! Next week a team from Cakebread-Robey Sports and Social Club are visiting the Club and we have put a Ladies team up to play them. I'm not sure yet if they're a team of women or men! I won't be playing cos Spurs are at home but I hope the girls get a good result.

OCTOBER 9th. Against Cakebread-Robey we lost by 6 games to 5. Our opponents were men so I thought it was a good result.

OCTOBER 16th. Although we lost 4-3 to the "Woodbine" it was a smashing evening. we started badly by only winning 1 game in the first 4 and I thought "Oh! Well". Then we had a break for the raffle and some food and the food must have made a difference because we then won the next two games of fours making the score 3-3. We then played a decider and we were all scoring very well. Daisy hit the highest dart of the night. It was so high she couldn't reach it and someone had to climb up and get it for her! Anyway we lost the decider. The "Golden Lion" next week - hope our luck changes.

NOVEMBER 13th. We haven't played since our visit to the Woodbine on 16th October because our games against the "Golden Lion" were cancelled. Tonight we went to Epping to play the Hemenal Club. The final score was 5-4 which wasn't bad. We still call our team the FERME Ladies and one lady from Hemenal thought we were a team of local hairdressers!

On behalf of the Ladies darts team - " A peaceful, happy and prosperous New Year and hope you have a nice Christmas",

Barbara Coe

BUNNIELESSNESS

OUR USUAL CARTOONIST IS EITHER TOO BUSY, RUN OUT OF IDEAS OR LOST HIS PENCIL!

LET'S HOPE HE RECOVERS HIS LEISURE, BRAIN OR PENCIL IN THE NEW YEAR SINCE I KNOW THAT MEMBERS ALWAYS LOOK FORWARD TO HIS EFFORTS.

IN ANY CASE DON'T LEAVE IT ALL UP TO RAY. CARTOONS, AND OTHER ITEMS WILL ALWAYS BE ACCEPTED.

THE DEADLINE FOR THE NEXT ISSUE IN MARCH WILL BE
FRIDAY 22ND FEBRUARY.

AUTUMN SHOW

After the Midsummer Fete Flower Show, at which we had only half a dozen entries and many complaints that it was "too early", we decided to run an Autumn Show in September and to include fruit and veg. Although the number of entries increased the number of entrants was still very small. Nevertheless the standard of entries was exceptionally high and we take this opportunity to thank all those who did participate.

1st, 2nd and 3rd prizes were awarded to those gaining the most points in each major section of the show and the results were:-

	1st	2nd	3rd
FLOWER SECTION	M.Nicholson (14 points)	D.Salter (8 points)	D.Bird/N.Paul (5 points each)
FRUIT & VEG	J.Nicholson (46 points)	M.Soons (19 points)	D.Salter (14 points)
BAKING, WINES & PRESERVES	J.McGuchan (13 points)	P.Salter/J.Wood (10 points each)	
SPECIAL PRIZE (CHILDRENS)	T.Soons		

Thanks to Tom Smith and Bert Betts for acting as judges.

It is obvious that most of our members just like to talk about gardening without actually producing anything and it seems unlikely that we shall bother to run this event in next year.

NEW YEAR'S EVE DANCE

This year the New Year Dance is on New Year's Eve. We have been unable to secure a suitable dance band for the event and the music will be provided by Bill Thomas who has run several very successful Social Dance Evenings throughout the year. In fact these dances have been better attended than the Club's main dances. Food will be provided as well as the usual novelties and hats. The cost will be £4 each and tickets can be ordered from Valerie Evans - BUT PLEASE NOTE - MONEY WITH ORDER ONLY. If paying by cheque please make payable to the POWDERMILL CLUB.

A CHRISTMAS DANCE run by the Dancing Class will also be held on Wednesday 19th December. Cost, including buffet, £2-50 are now available from Norman Paul.

XMAS EVE DISCO as mentioned earlier, tickets for this event can be obtained from Barry Barrett.

FIREWORKS EVENING — A REPORT!

Saturday 3rd November saw the first Club Fireworks Display. In addition to the display there was a Barbeque and Disco and over 300 people crowded into the Hall for a most memorable evening.

A professional Display was provided through some of our contacts at RARDE Fort Halstead and seeing this excellent display and knowing the modest charge made we are sure that we got a very special deal. The highlight must have been the 'Tank Battle' which was very effective. I don't think many members expected such a professional display.

Our thanks to members of the Fire Brigade Section who manned the pumps as it were, to give us fire cover during the display.

The Disco was run by Barry Barrett and judging by those on the floor it was enjoyed by all, especially the youngsters. Thanks should go to Barry's children for their 'Guy Fawkes' collection, which, with the raffle, raised over £30 for the Cystic Fibrosis Research Fund.

Dick Morrell and his merry band of drunken helpers coped very well with the large demand at the Barbeque. Dick very generously donated ALL their profit to the Ethiopian Famine Relief Fund and raised £64.

Comparing the numbers attending (plus the fact that many more would have come but for the limit we had to put on because of fire regulations) with the normal numbers at most other events it is obvious that this is the sort of event that members want. Perhaps we will run another one next year?

N.P.

FASHION SHOW REPORT

Yet another successful ladies fashion show was run at the Club on Friday 9th November. At least it must have been successful judging by the numbers attending since we ran out of chairs in the Hall !

These do seem to be popular events and as previously noted all the profits from this show will be donated to the Club's own Children's Christmas Party in December.

The Club hopes to continue running these shows as long as the membership demonstrates it's support for them.

SPORT

The Knockout Darts Competition is now well under way. Please try and play your matches by the date indicated as we would hate it for anyone to be knocked out without actually playing, and only because they didn't play.

The recent visit to the Club by members of the Cakebread Robey Sports and Social Club in Enfield went very well. I think nearly everybody enjoyed the evening and we hope to try this type of evening again in the new year.

Two of our members seem to spend their weekends running marathons or half marathons and having spent one Sunday morning watching these two lunatics, along with about 200 others, running around Stevenage it makes you realise how unfit one is. John Cook completed the course (26 miles) in 2hr.46 min. and Paul Burnham in 3 hr.12 min. Paul was slowed down somewhat by the effects of a stomach disorder. Can you imagine running a marathon with an upset stomach? John finished 13th and Paul 52nd. John was also 3rd in the "veterans". John Cook was sponsored by quite a lot of Club members and managed to raise £80 for the Cancer Research Group.

BENSON & HEDGES SNOOKER

OUTINGS

There has been an outstanding response for tickets for the ICE SHOW. All tickets have now been sold.

In contrast there has been little interest in the proposed Weekend Trip to Margate with a Day Trip to France and hence nothing can be arranged as yet.

Watch this space for further details of events in the Spring,

Tony Arber OUTINGS CHAIRMAN.

The draw starts at 8pm sharp and cards of numbers can still be obtained from Steve Hutchings.

CHRISTMAS BINGO - SUNDAY 9th DECEMBER

The special Xmas Prize Bingo session gives you a chance to win some of your Xmas "Goodies". Open to all members, starts 7.30pm.

????????????????????????????????????????????????????????????????????????????????????????

Response to last issues competitions was somewhat patchy. Sorry Ian but there were no takers at all for your Olympics Quiz and only 1 entry for the Spot the Olympic Champion Names. That entry was from Andy Goodwin and I am pleased to say tht he can collect his prize of a T Shirt or Tie from the barman (He also sent in an entry in the Connections competitions and finished by saying that: Andy Goodwin doesn't wear Ties or T'Shirts but drinks wine Well! Tough Luck Andy. You've won a Tie or T'Shirt!).

Dick Morrell won first prize in the Hide and Seek Competition and Barry Ransley was the winner of the Connections - For those who didn't work it out - the Yorkshireman drank Lager and the Scotsman played Football. For those of you who had problems trying to fit the categories to actual Club members it was purely a hypothetical puzzle and none of the characters was meant to represent any person living or dead and any such similarities are purely coincidental.

And now for your Christmas Puzzles. First a boring old word search where there are 32 seasonal items or what have you hidden in the grid below. Winner gets usual prize PLUS a Xmas Cracker. Send your entries to the Editor as soon as possible.

HOW MUCH CAN THE CLUB MAKE IN AN EVENING?

A very simple question - Guess how much the Club Bar will take on NEW YEAR'S EVE. Evening session only - Both bars. Send your guess to the Editor BEFORE 31st December. The person with the nearest guess will receive a bottle of whisky. (We can confidently predict that the Club can afford that from it's profit on the night).

CHRISTMAS ORDERS 1984

Last year quite a number of the Club's members took advantage of one of the bar's facilities and bought beer in bulk from the Club. Unfortunately the brewers have increased their prices since last Christmas but I think that you will still find our prices very attractive. Listed below therefore are our off-sales beer prices for the festive season along with some of our popular wines and last, but not least, a selection from our interesting range of malt whiskies.

If you wish to order any beer, wine or whisky for Christmas please return the form to me in PR Branch or leave it with the barman by Tuesday December 11th to avoid disappointment.
