Dear Mr Maclaren

On behalf of the committee I would like to thank you for a most interesting talk. All the comments we have received from the members have been highly favourable.

As promised, I am enclosing a copy of the drawing of Waltham Abbey Powder Mills after the 1843 explosion by Dr John Cresswell of Winchmore Hill. Please also find enclosed a copy of the article published in Essex Review in 1948 on the history of the West Essex Yeomanry.

I hope you will find the enclosures of interest.

Yours sincerely

Graham Dalling
