Letter of Appointment  
of Thos. White 15-2-1860

Royal Gunpowder Factory  
Waltham Abbey

15<sup>th</sup> February 1860

Thomas White

There is now a  
Vacancy in this Factory  
If you are still inclined  
to come, you had better see  
Doctor Priest tonight, and  
get a certificate from him,  
and you can come to work  
tomorrow morning at  
7 o'clock.

Edward Hindley  
Asst. Master Workmen

Ms. M. McHaven,

One of the industrial staff  
on PI, Mr. H. Cowell, in turning out  
the family papers come across the  
attached letter. The Thomas White to  
whom it is addressed was his wife's  
grandfather. He would like the  
letter back but I thought that you  
might like to have a look at it. I  
must say that they seem to have  
moved a bit faster in those days.  
Probably, it takes a typist, six carbon  
copies and several weeks in 1969.
