Royal Powder Mills.
Waltham Abbey 3^d June 1788.

Sir,

The undermentioned particulars are immediately wanted at this Place, I must therefore desire that you will send them to the Catherine Wheel, Bishopgate Street, on Thursday next, before 12 O'clock, that Francis Hawley the Waltham Abbey Carrier, may bring them down on that Day: or by any other conveyance you may think proper: Major Congreve has directed me to purchase such Copper Nails & Screws, as are immediately wanted if I cannot get those due from the Tower.

I am,

Sir, your most Obed. Servant,
J. Wright.
