

On Her Majesty's Service

WASC1408

Gent.^l

Royal Powder Mills
Waltham Abbey 27th Jan^{ry} 1788

1408

The bearer hereof M^r Newton is the person appointed Master Worker at this place. — he is by Major Congreve's direction to reside at Faversham untill the Powder Makers now Employ'd by you for Waltham Abbey shall be Ordered up; you will in the mean time admit him to see your method of Manufacturing Gun Powder, keeping his Accounts and every other branch of duty, as far as he may require as Master Worker.

I am

Gent.^l

Your most Humble Serv^t

Jas. Wright.

Respective Officers Faversham
