Questions over flooding

THE problem of flooding in the Broomstickhall Road area of Waltham Abbey is to be taken up with the Thames Water Authority by the town council.

Town clerk Mr David Berry is to write to the authority following complaints from residents about the severe and repeated flooding.

CAPSULE TO BE REBURIED

A TIME capsule, salvaged from the Memorial Hospital, is to be reburied with another up-to-date capsule in Waltham Abbey's proposed new war memorial.

Waltham Abbey town councillors agreed the move at their full meeting last week.

Among the contents of the new capsule are to be a set of mint condition coins, a list of council chairmen, mayors and a copy of a weekly paper.

The memorial itself may now feature a substantial oak cross following a letter to the council from architects, Anglian Design, questioning the appearance of a granite cross on a York stone memorial.

When completed there will be a dedication ceremony and invitations are to be sent to the Bishop of Chelmsford to officiate and to the Lord Lieutenant of Essex.

TELEPHONE 0992 36323

The exhibition is on loan to the museum in Sun Street and has been created by RARDE to mark the bicentenary of the purchase of the powder mills by the Crown.

The display can be seen at the museum on Fridays, Saturdays and Sundays and on Mondays from 2 pm to 5 pm and Tuesdays 12 noon to 5 pm until January 31.

Pictured (left to right) are Epping Forest Councillor Michael Aldworth (chairman leisure services), Miss Kate Carver (museum and arts officer), EFDC chairman Councillor Reg Amanet and his wife Doreen, Malcolm McLaren (archivist RARDE) and Councillor Ian Abbey (chairman museum committee) looking at some of the items on display at the museum.
